EXPEDITED CONSIDERATION REQUESTED

MOTION FOR LEAVE TO FILE AMICUS BRIEF

Robert Kerr, an employee of Michigan State University, and an individual who would likely fall under the requested class per the Plaintiffs class action request, and on behalf of the many individuals similarly situated, respectfully move for leave of Court to file the accompanying amicus brief in support of Plaintiffs motion for injunctive relief, and consideration of their claim of unnecessary harm.

While the Defendant has chosen to keep the Plaintiff on remote work status, and the assignment of remote work has left the court questioning the ripeness of the case before it, Myself and many other similarly situated employees, are left, trying to make long-term decisions on our gainful employment, absent critical, and needed information.

Respectfully submitted on this 5th day of October, 2021,
Robert Kerr
